

You are the face and voice I will not forget.
From the moment I first laid eyes on you, I was obsessed.
I spent so much time wishing and hoping,
daydreaming and imagining,
suppressing and hiding feelings that were growing inside of me.
It took losing a piece of me and a little too much time on my hands
to realize that there was something in my heart that I could no longer ignore.
It's been nearly a year and I still smile every time you cross my mind.
But I'm scared to admit that I'm afraid.
I'm anxiously waiting for me to mess this up,
I'm worried that I already am.
But it's so different when I'm by your side.
Feeling the rise and fall of your chest
Or the weight of your head resting on my shoulder.
It's easier to breathe, my steps are lighter.
I'm reminded that I'm exactly where I need to be
Thankful that our paths intertwined.
