

Forever

Your memory haunts the very depths of my soul. Your lost touch burns deep within me. The sweet smell and taste of your salty skin makes me ache inside, yearning for more.

Your spiritual strength glows like a single star on a moonless night, which will make me love you forever – but my sweet love, forever is not enough.

Your life is strong. You embrace it with an unfailing faith and determination. Courage is your companion, standing taller than the highest mountain – not to be shaken.

With every beat of my heart, it silently cries out in desperation for you, and only you. You are a priceless gift from heaven. Who could not know?

As each day passes, my admiration for you grows like an opening flower. You amaze me. Like the wind, you're in my thoughts - always there, but not to be seen.

They say all good things must come to an end. Who are they? Alas, the ones that cannot see my heart and feel you living there with each precious breath I take.
