

Introduction: This body of work explores and expresses the multiplicities of the I AM within the Divine Feminine. Each piece addresses who we were, who we are, and who we will be.

Queen of the Kosmos: Danielle Brown

"I am the queen of the kosmos.

I am the star that twinkles in your night sky.

I am the comet burning hot, blazing as it shoots through your consciousness, setting your mind ablaze as you yearn to know the truth of who you are.

As your soul searches for secrets that secret societies have kept, as a way to manipulate your mind in an attempt to steal a spirit that can't be stolen but only forgotten.

I am RE-Memberance

I am the thing outside of yourself to remind you of the thing I put inside of you. I AM FREEDOM.

I am the darkness that births the lights of the sun, the stars, and the moon.

Don't you see I am all of it.

I am the gravity that keeps your feet on the ground.

I am the weightlessness of freedom.

I am matter and I am antimatter.

I am all things.

I am galactic.

I am ethereal.

I am out of this world; thus, my Divine Child as so are you.

Made of Star dust but an inheritor of The Kingdom.

The Earth and The cosmos beyond are yours to explore for it is you birthright.

If I am space you are matter and everything you do, think, and feel matters.

So, choose divinity for it is what you are, What I am

You are the Universe.

A womb to birth creation and creators alike.

Life is what you make it, so Co-create with the creator, Queen Of The Cosmos, That I am.

In the beginning, God created the heavens and the earth. Gen1:1

Worthy are you, our Lord and God, to receive glory and honor and power, for you created all things, and by your will they existed and were created."

Rev 4:11

I Am My Ancestors: Danielle Brown

I am my ancestors. Born black and brown. One with their divine heritage always wearing the crown.

Hair that reaches for the sky and eyes that reflect the spirit we always embodied God, but not everyone wanted to hear it. We preached our Gospels, and we sang our songs.

We exhibited glory in the place that we belonged.

Born inheritors of the kingdom we are, and that is the reason why THEY took us so far.

They attempt to steal souls just like they attempt to steal land; little did they know that we are a part of the master plan.

Buck breaking black men, kidnapping our indigenous women, and throwing our babies to the gators still couldn't break our spirit, so you went for the soul, but The Great I Am wasn't hearing it.

But you see, you are the ancestors, for what is blackness but the absorption of all light, for you come from a black Womb-Man, the carrier of the Eve gene. So, what you do to us, you ultimately do to yourself.

But you see,

I am who I am, and I have seen this thing through, and we have cycled back to a time where the spirit of the ancestors will flow through all that is, because that is who you are, because you are that I am, and I am the ancestors, and they are that I am.

What a master plan.

It is finished.

Once again, we will be inheritors of the kingdom Of The Great I am

Genesis 15:13-14

God said to Abram, "Know for certain that your descendants will be strangers in a land that is not theirs, where they will be enslaved and oppressed four hundred years. But I will also judge the nation whom they will serve, and afterward they will come out with many possessions."

Master of Mystery: Danielle Brown

I am the master of mystery, all things seen, unseen, and in between.

Omnipresent, I am in all places in all spaces in all times and in all ways always.

I am unseen unless you have eyes to see me.

I am unheard unless you have ears to hear me.

and

I am not felt unless you have the spirit to feel me.

Who am I? I am.

I am multi-dimensional, and I am divine.

I transcend through the mediums you call space and time.

I am space and time.

You move through me, and I move through you the master of mystery holds the key to YOU.

Climb the ladder and you will see my face and my glory and a mystery I shall no longer be.

The time is coming for a new thing to be done. A new world to be birthed where we all return back to the one.

All things will be known because you are a part of the all-knowing One.

So, shift out of the fear frequency and dive into this mystery because this is the big one.

To them God chose to make known how great among the Gentiles are the riches of the glory of this mystery, which is Christ in you, the hope of glory.

Colossians 1:27
