

One Step
By Daylan Burgess

All you need is one step.
One step in the right direction.
Put your fears aside today,
You're one step closer to your blessing.

One step forward,
Don't look back!
One step forward,
It's a mentality hack.

Where would your life be if you just took one step?

One step to freedom,
One step to peace.
One step to love,
One step to belief.

One step to forgiveness,
One step to faith.
One step to opportunity,
One step to prosperity.

Your life can change for the better.
Do not wait!
Believe in yourself and take a chance,
Move one step closer today.
